A deep-field image from the James Webb Space Telescope (JWST) showing a vast field of galaxies. The galaxies are of various shapes and sizes, ranging from small, distant points of light to larger, more complex structures. The colors are primarily orange, red, and yellow, with some blue and green highlights. The background is a deep black, punctuated by the light of the galaxies.

Where to start?

JWST deep field

“

*Don't ask
what the
world
needs.
Ask what*

*makes
you come
alive,
and go
do it.*

”

Where to start?

1. Identify the open scientific question
2. Generate the idea how to address this question
3. Turn the idea into a competitive proposal

Nemému dieťaťu ani vlastná mať nerozumie.
